Countdown to Ecstasy is the second studio album by the American rock band Steely Dan, released in July 1973 by ABC Records. It was recorded at Caribou Ranch in Nederland, Colorado and at The Village Recorder in West Los Angeles, California. After the departure of vocalist David Palmer, the group recorded the album with Donald Fagen singing lead on all the songs.

Ecstasy is psychologically addictive. When quitting the drug, users experience intense psychological withdrawal symptoms, such as depression, anxiety and drug cravings. The symptoms of ecstasy withdrawal tend to be primarily psychological, but some users experience physical effects as well and vary from each person.
